

Instructions for oral and poster presentations

All accepted papers will be published in the official Conference Proceedings with no differences between oral and poster presentations.

The official language of the Conference is English. Therefore, there will be no simultaneous translations during the Conference.

The oral presentations are limited to 15 minutes (except for plenary lectures, which are limited to 30 minutes). At the end of each presentation, 10 minutes are foreseen for discussions.

Instructions for preparing oral presentations

For presentations, the following equipment will be at your disposal:

- LCD projector,
- laptop computer with CD ROM,
- laser pointer.

The organizer will provide computers with MS Windows OS for oral presentations. Presenters are kindly asked to have their presentations saved on CD, DVD or USB memory device.

Instructions for preparing poster presentations

The dimensions of posters should be 70 cm in width and 100 cm in height (i.e. B1 format). The poster sessions will take place on both working days of the Conference, i.e. 27 and 28 October.
